|                                |  |
|--------------------------------|--|
| Specifications                 |  |
| Type                           | Combined filter  |
| Dimensions (mm)                | H130 x W695 x D400 Approx.                               |
| Filter media                   | Pleated glass fibre material.                            |
| Filter media 2 (if applicable) | Impregnated activated carbon                             |
| Fabrication                    | Zinc plated steel case, sealed with polyurethane sealant |
| Connection                     | N/A  |
| Efficiency                     | 99.997% removal of 0.3µm particles                       |
| Carbon weight                  | Approximately 26 kgs                                     |

**Filter materials are non-toxic and therefore can be disposed of under normal waste conditions, subject to analysis of the collected particulate and/or gas**
